

**THE CITY OF NEW YORK
OFFICE OF THE CITY CLERK**

IMPORTANT ANNOUNCEMENT REGARDING AMNESTY PERIOD

Please be advised that the Office of the City Clerk will commence an amnesty program on January 1, 2016. All individuals and organizations that were required to file, but did not file, a statement of registration from December 10, 2006 to present are invited to apply to the amnesty program. If an organization is granted amnesty then any fines or penalties that could have been imposed will be waived.

This is a one-time opportunity and a great chance for individuals and organizations to come forward and disclose lobbying activities without incurring penalties. Pursuant to the attached schedule, our office will be conducting information sessions in order to help you learn about the lobbying law and amnesty program. To register for an information session, please email our Outreach and Training Coordinator, Jessica Fiorillo at Jfiorillo@cityclerk.nyc.gov or call 212-669-8177.

If you would like to apply for amnesty now, applications are currently being accepted for the Pre-Amnesty Program. To apply, please submit a Notice of Intent available at: <http://www.cityclerk.nyc.gov/html/lobbying/amnesty.shtml>.
